EVERYTHING YOU EXPECT IN A BASS BOAT

The Legend Series was introduced with more integration, more fishability, more intuitiveness, more comfort, more response, more storage, more protection, and WAY more personality. The features and innovation debuted in this series have reached aggressive new standards for future products to exceed in the industry, and a relentless pursuit to preserve and grow fishing. Born of an iKonic spirit, the Legend Series epitomizes the power of a lifelong passion for fishing in a changing world. Heritage grows from innovation, and people of excellence enable us to take on today's challenges – and win! It's everything you expect in a bass boat.
